The Power Cat 34 catamaran is in visually and technically perfect condition. Due to the shape of the hull (two swimmers), the very good sailing characteristics in rough water or in waves at anchor should be highlighted. In addition to the very extensive equipment, the new owner can expect a very high-quality boat. With a width of just 3.22 m, the motor catamaran fits into any standard berth box. Exclusively for sale at Kirchner & Mares – broker authorized by the German owner.
